**Subject: Bruno Giordano's ConGAS STM at KTH**

With this letter I confirm that Mr. Bruno Giordano has spend the period from June 13 to June 23 2005 at the Department of Speech Music and Hearing, KTH. During his stay he conducted experiments and scientific writing work on "expression of emotional intentions in walking, and the ability of listeners to recognize them".

A paper has already been submitted to a conference:

Bresin, R. and Giordano, B. "Do we play how we walk? An experiment on expressive walking", submitted to *Sound and Music Computing 2005*, Salerno, Italy

Best regards,

Roberto Bresin
