Location

All the events will take place at the Department of Music located at Solvholsgata 13. The location is right downtown Reykjavik about 4-5 min walk from Reykjavik City Center close to the National Theater. The best transportation is by foot if you stay in the city center area. Buses do stop about 3 min walks from Solvholsgata and then there are Taxis. (There will be a map coming shortly)

Accommodation

There are many hotels located in the Reykjavik city center area but keep in mind that during the time of our meeting there are lots of activities in Reykjavik so hotels might get booked up.
